

FLORAL TRIBUTES

We can supply Floral Tributes for the funerals we are conducting and have a long-standing relationship with Options Florist in Eastwood.

This booklet shows many popular designs for funeral tributes. In all cases, the tributes shown can be provided using different colour schemes. If the size or the specific flowers required for the tribute are changed, we will check whether there would be any change in the cost of the tribute.

To ensure that the florists are able to meet your wishes, we ask that orders for floral tribute orders be confirmed to us at least three clear working days before the Funeral.
